

## Exam Results Information

### RESULTS DAYS

1. A2, AS results will be issued on **Thursday 20 August** after **11.00a.m.**  
GCSE results will be issued on **Thursday 27 August** after **10.30a.m.**

If you have applied for university and wish to know whether you have been accepted or not, it will help staff advising you if you bring in your UCAS number and your Track username and password. This should enable us to find out quickly any decisions which have been made.

Either leave a stamped addressed envelope marked "Examination Results" and we will post the results to you **or** call in and collect them. We **will not** issue results over the telephone (without prior arrangement). If you want someone else to collect your results for you, they will require a letter of authorisation in order to do so.

2. Exam certificates do **not** reach the College until November. It is your responsibility to collect them.

### WHAT HAPPENS IF I DON'T GET THE GRADES I NEED?

**A/AS Level:** The College will provide a service to try and help you find alternative courses. College and Connexions staff will be available at Wyke on **Thursday 20 August** and College staff on **Friday 21 August**. After that date your nearest Connexions Office will help you if you ring for an appointment.

**GCSE:** You may need to change your plans. College and Connexions staff will be on hand **Thursday 27 August** and College staff on **Friday 28 August** to help you. Your local Connexions Centre can also help you if you ring for an appointment.

**NB:** You can contact your Connexions Adviser who can help with finding employment, training or further/higher education. Connexions Centres advertise job vacancies and apprenticeships and can provide details of local & national opportunities which may be suitable for you. Local employers give details of their job vacancies to local Connexions Centres and some of these may not be advertised elsewhere - there could be one for you!

### References

If you have not requested a reference this year, but think you might need one next year (for university, employment, college etc.), please put in a reference request on the college system before you leave, so that teachers can write it while you are still fresh in their minds! Instructions on how to request a reference are available from the Guidance Desk.

### Applying to university next year

If you are planning to apply for university next year, you will need to do this through College, so that we can supply your reference and support you in your application. If you think you will be making an application next year, please could you let Emily Peach know as soon as possible, by e-mailing her ([emily.peach@wyke.ac.uk](mailto:emily.peach@wyke.ac.uk)). She will then be able to let you know how and when to register on the UCAS Apply system
