

From September 2011, the maximum single fare for a journey to Wyke will be £1.

Additional bus routes has been added to make travel even easier for Wyke students. The new 927 route is in addition to the recently introduced 928, both of which offer a great service to and from East Hull. There is also a new Wyke College Minibus route serving the Holderness villages.

This means that students from all areas of Hull and the East Riding will be able to take advantage of convenient and competitively priced travel.
